No wonder the RP Series is America's Number 1 choice for multi-effect modeling processors\*. After all, DigiTech® invented multi-effects — and we've never stopped improving the breed.

Our six RP and three BP Bass pedals give you all the amp models, tones and effects you need in a single compact unit. But don't just take our word for it. Visit your DigiTech dealer and discover for yourself why more guitarists trust a DigiTech multi-effects pedal than any other. ■
